

September 1, 2016

Congratulations to Grunau's sprinkler fitter apprentice, Aaron Roscizewski, for winning the International Apprentice Contest in Ann Arbor, Michigan!

This was no easy task. First Aaron had to beat the best in the Wisconsin contest, followed by winning the District 4 (Midwest) competition. His last feat was outperforming 7 of the best apprentices from all over the US, Australia, and Canada.

We are very proud of him and all the hard work he has put in for his sprinkler fitter apprenticeship.
