Grunau fundraises for 5k walk and run for breast cancer

On May 5, eight employees from Grunau Co. took part in a 5k walk and run for breast cancer. Weeks before the walk/run, many fundraising events were started to reach \$2,000.

We held Pink Fridays where a few employees would provide "pink" foods and drinks, including mockaritas for Cinco de Mayo. (A donation jar was placed near the goodies for free-will donation.) We also held weekly Friday raffles for gift cards and cookbooks. On the last Friday before the event, we had six gift baskets raffled off and "Pink Highlights". A local hair stylist visited our office and offered pink highlights and hair extensions for \$15 (all money went towards our \$2,000 goal).

After all fundraising efforts, we were able to raise \$2,788 for Breast Cancer Research.
