

Customer focused. Built on values.

April 15, 2014

Grunau Company is the proud recipient of AGC's Safety Excellence award and the commemorative plaque is hanging in our Team Training Room. The Associated General Contractors of Wisconsin recognized Grunau for pursuing and achieving excellence in construction safety for 2013, based on year-end safety statistics.

This award, once again, shows Grunau's commitment to safety for all of its employees and jobsites.
