GRUNAU

95 YEARS

1920-2015

2015 marks the 95th anniversary of Grunau Company. Grunau was started as a plumbing business in 1920 by Paul J. Grunau and his wife, Alma. The couple lived & raised their family above the original Grunau business storefront located at 1307 S. Kinnickinnic Avenue, in Milwaukee, WI. The building is still standing to this day. The Company has grown to install & service all types of mechanical systems for Wisconsin customers, plus fire protection in WI, FL, IN, OH, and PA.

We want to thank all of our customers and employees who have shown their loyalty and support for the past 95 years. Grunau Company is proud to be the benchmark of excellence and we look forward to continuing our business relationships over the next 95 years!
