

December 14, 2015

Grunau Company donated money to the Ronald McDonald House of Eastern Wisconsin this month from collections during the Grunau Ladies' Golf Outing held this autumn.

Four team members who organized the golf outing, Angela Marten, Kelly Molitor, Donna Donegan, and Marisa Holtz presented the check and were given a tour of the Ronald McDonald House. This is Milwaukee's "home away from home" for families while their children are receiving medical treatment at local hospitals. For more information on the charity, visit: <http://rmhcmilwaukee.org>
