**GRUNAU COMPANY HIRES NETWORK ADMINISTRATOR**

**OAK CREEK, Wis. (June 16, 2004 )**—Grunau Company recently announced the addition of Ted Sparks as its network and applications support administrator. Sparks joins Grunau Company from E-Watch Systems, a computer business he owned and operated.

“Ted brings great experience and system knowledge to Grunau Company,” said Paul Grunau, company president and CEO. “We are confident that his technological abilities will help Grunau meet client needs in a most efficient and effective manner.”

Sparks is responsible for Grunau Company’s computer networks and hardware and software applications, and he supervises any internal computer maintenance and system technology issues or requests.

The Grunau Company’s team of skilled professionals designs, installs and services mechanical systems, including HVAC, plumbing, fire protection and specialized electrical systems. Grunau Metals, a separate division of the company, offers specialty metal fabrication services. Grunau Company teams operate as customer advocates, pinpointing the best solutions to complex projects and embracing a strategic approach to identify and prevent problems. Grunau Company has offices in Wisconsin, Florida, Indiana, Ohio and Pennsylvania. Grunau Company, established in 1920, employs 450 people and is headquartered in Oak Creek, Wis.
