

To continually examine our processes to provide greater value to our customers without waste.

# EAW

A special thank you to all the respondents from last week's contest to answer the question: "In relation to Grunau's lean culture, what do the letters "EAW" stand for?" The correct answer is....

# Eliminate All Waste

We had 45 responses and some very creative solutions including:

Environmentally A-Ware	Evaluate All Work	Eat Away Waste
Employees Against Waste	Efficiency At Work	Eat A Worm?
Enemies Against Waste	Efficiency Always Wins	End All Waste
Employee Appreciation Week	Examine-Assess-Waste	
Examine Ways to do things to Add value without Waste		

The first 2 field/shop personnel with the correct answer and the first 2 office personnel with the correct answer each received a \$10 Menard's gift card.

Now your challenge this year is to think about and implement if possible the ways you can **ELIMINATE ALL WASTE** at Grunau. Please share with a Lean Team Steering Committee member how you have specifically eliminated waste within your job so we can share with other employees in future Lean Line editions. Each month we will select some of these waste eliminators to win a \$10 Menard's gift card.
