

To continually examine our processes to provide greater value to our customers without waste.

## Lofty Thoughts in PA

Our Pittsburgh, PA office thought about the mess in their storage loft and how they could eliminate waste in inventory, time spent searching, and wasted real estate space. The team completed a Lean 5S event which included the following activities:

- ◆ Sorted, Straightened, Swept, Scheduled (and will now continue to Sustain)
- ◆ Installed 3 new light fixtures
- ◆ Built 7 new storage racks
- ◆ Labeled all racks
- ◆ Built storage area for holiday items
- ◆ Organized drawing storage tubes
- ◆ Disposed of LOTS of old documents
- ◆ Installed new fire-rated door

The whole pile of stored inventory above was eliminated/shredded as "waste"

What a difference a day makes! Great job, PA team!
